

Food and wine tasting evening ~ March 10th

We are pleased to announce our next Food and Wine Tasting evening on Wednesday 10th March (apologies to anyone who was told it might be later on in the month, but we just had to make the most of our special guest's visit!).

We will be heading back to explore some great wines from Italy, kicking off with Nino Franco Prosecco which will be introduced by the Franco family, producers of our very popular Prosecco's.

The Nino Franco winery is located in Valdobbiadene, a zone in the upper reaches of the Veneto known for producing Italy's finest Prosecco. Third generation and current owner/winemaker Primo Franco is a consummate craftsman, and produces a line of Prosecco that is second to none. The range varies in style but each one has the characteristically fruity back bone one expects from a good Prosecco. The best selling "Rustico" continues to be the bench mark of the category, as enjoyed regularly by many of our customers.

Following the Prosecco we will be tasting some other fantastic Italian wines specially selected to compliment this menu:

Menu

*Seared Tuna loin with pickled radishes,
tuna mayonnaise, chervil and dill*

~

Rustic broth and tortellini of local wild rabbit

~

*Denham Estate venison Wellington
with green peppercorn sauce and celeriac*
